Certificate of Declaration

The organizers of BLUE FLAG Asia Summit 2025 have declared their intent to sustainably organize their MICE event in consideration of all stakeholders including attendees, service providers, the local community, and other related parties by formulating of a self-sustaining cycle of achievement towards the Sustainable Development Goals and aim to increase the value of their MICE event.

● Event Name: BLUE FLAG Asia Summit 2025

A Global Vision for a Safe and Beautiful Ocean

● Period: Saturday, September 20 to Sunday, September 21, 2025

● Event Venue: 6F Floor Multi-purpose Hall, Kaizuka Citizens' Welfare Center

● Organizer: Japan Blue Flag Association

● Event Overview:

The BLUE FLAG Asia Summit brings representatives from the three participating Asian countries, Japan, Korea, and India, together to reaffirm the significance of the Blue Flag certification system, share regional challenges and success stories, and engage in in-depth discussions for sustainable development. In addition to strengthening collaboration among the three nations, the event aims to advance the sustainable use and revitalization of coastal areas throughout Asia.

The SDGs for MICE Sustainable Event Evaluation System is registered with the Co-Creation Challenge as part of the Team Expo 2025 program.
